ABOUT SVG YACHTING

Welcome aboard

SVG Yachting is an independent charter company specialising in St Vincent & The Grenadines since 2003. We don't represent one fleet — we hand-pick crewed catamarans, monohulls, motor yachts, bareboats and day boats from across the islands so you sail on the right yacht with the right crew for your trip.

We are UK-based, and we work with trusted local partners throughout the Grenadines. They handle provisioning, customs, transfers and on-water support; we handle the yacht, the planning and everything in between.

This collection is a starting point. Tell us when you'd like to come and who with, and we'll come back inside 24 hours with three to five yachts shortlisted for you — with a clear view on which we'd pick.

> **Twenty-plus years booking Grenadines charters — and still the same person from first enquiry to drop-off.**

FIVE REASONS

Why charter with us

Twenty years on these waters

We've booked and managed charters in St Vincent & The Grenadines since 2003. We know the captains, the yachts and the anchorages.

The widest choice of yachts

We have no fleet of our own, so we can search the whole cruising ground — and our wider broker network beyond it — and recommend on fit, not commission.

Trusted local partners

Our partners in the islands look after every charter on the water — pre-stocking, customs, transfers, and the call you hope you'll never need.

One point of contact

From first enquiry to drop-off you deal with the same person. No call centres, no junior handovers, no surprises.

Full concierge if you want it

Chefs, shore excursions, helicopter transfers, private dining on Mopion sandbar — we arrange it all, or we leave you alone. Your call.

THE CRUISING GROUND

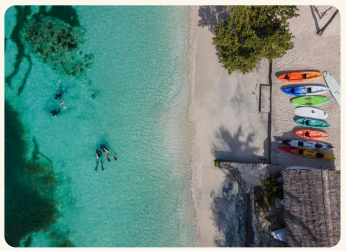

The Grenadines

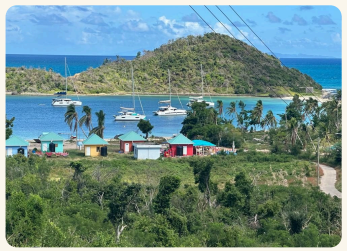

A 60-mile string of islands running south from St Vincent to Grenada. Short sailing legs, reliable trade winds, calm leeward anchorages and some of the clearest water in the Caribbean.

From the buzz of Bequia to the quiet polish of Mustique, the horseshoe reef of the Tobago Cays and the kitesurfing wind on Union — nine islands, one short sail apart, in a marine park barely changed in a generation.

At a glance

- 12 islands · 60 nautical miles end to end
- Trade winds Nov–May, 15–25 kn
- Sailing season December through July
- Direct flights via Barbados, St Lucia & Grenada
- Typical legs of 2–3 hours between anchorages

ISLAND GUIDE (1 OF 2)

Northern Grenadines

St Vincent

Rainforests, waterfalls and the start of every charter. Kingstown market, Pirates of the Caribbean filming locations, the La Soufrière hike.

Bequia

The friendly island. Admiralty Bay, Sargeant's model boat workshop, Friday-night fish fry on Lower Bay.

Mustique

Private-island glamour, quietly done. Basil's Bar, Macaroni Beach, celebrity-spotting without the crowds.

Canouan

Beach-club polish a mile from empty bays. Glossy Bay Marina, Soho Beach House, private-jet access mid-charter.

ISLAND GUIDE (2 OF 2)

Southern Grenadines

Mayreau

Salt Whistle Bay's half-moon of sand — one of the most photographed anchorages in the world.

Tobago Cays

Five uninhabited islands inside a horseshoe reef. Snorkel with turtles, lobster BBQ on the beach. The single best day of almost every charter.

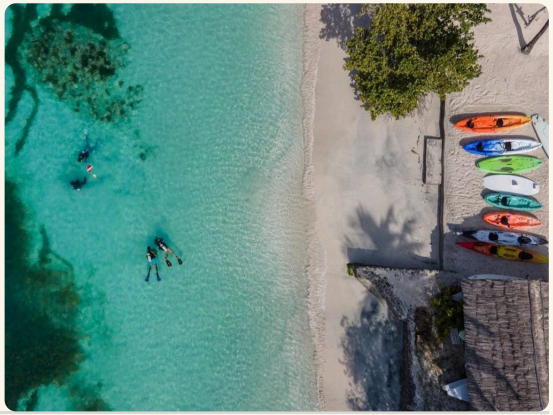

Union Island

Kitesurfing capital and Grenadines crossroads. Reef bars off Clifton, Chatham Bay sunsets, easy international transfers.

Petit St Vincent

PSV — the southern luxury secret. Paddleboard across to Mopion sandbar, dinner under stars with no light pollution.

Ways to charter

Crewed catamarans

Our most-booked way to sail the Grenadines. Stable, spacious, with a captain, chef and water toys included. From 4 to 12 guests.

Crewed monohulls

Classic sailing yachts for guests who want to be at the helm with a professional skipper on board. Proper sailing, properly looked after.

Motor yachts

Fully-crewed power yachts for fast island-hopping, big sundecks and serious water toys. Ideal for shorter trips and mixed-mobility groups.

Bareboat

Take the helm yourself. Catamarans and monohulls based in Blue Lagoon and Bequia, with an optional skipper on request.

Day boats

RIBs, day cats and day sailers for snorkelling, transfers and sunset sails. Half-day and full-day bookings from St Vincent, Bequia, Mustique and Union.

Shore cruises

Hotel-based short tours from Canouan or St Vincent — a taste of the Grenadines without sleeping aboard.

PICK THE TRIP THAT FITS

Types of holiday we plan

Family sailing

Wide catamarans, shallow calm bays, trampolines, kayaks and towed toys. Crew who genuinely like children, and menus that cover both the six-year-old and the grandparents.

Luxury crewed & corporate

Larger crewed yachts with chef, stewardess and tender driver — for families travelling together, groups of friends, or small corporate and incentive groups.

Local events, music & culture

Time your charter with the Bequia Easter Regatta, Carriacou Regatta, Vincy Mas in July, Nine Mornings in December, fish fries and island music nights.

Honeymoons & occasions

Two-cabin yachts for couples, private beach dinners, champagne on the sandbar. Anniversaries, milestone birthdays and vow renewals planned quietly around you.

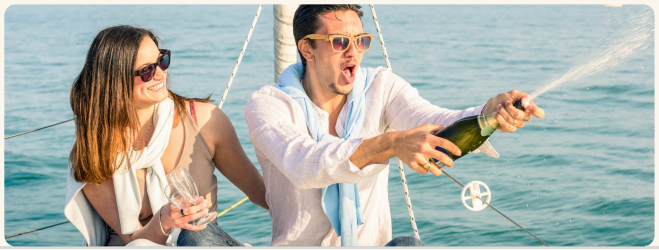

Day sails & short cruises

Not the full week? Day boats from the main islands, sunset sails, and hotel-based short cruises of two to four nights.

Tailor-made

Diving every morning, hiking, kitesurfing lessons, one-way routes to Grenada or St Lucia — we build the week around how you actually like to travel.

LIFE ON BOARD

Long lunches, quiet bays

Mornings start slowly. Coffee on deck, a swim before breakfast, then a short sail to the next bay. Your chef builds the day's menu around what came off the boats that morning — lobster, mahi, snapper, plantains, mango.

Afternoons are for snorkelling with turtles in the Tobago Cays, paddleboarding around Mopion, or doing nothing at all. Sunsets are at Basil's Bar on Mustique, a reef bar off Clifton, or your own cockpit with the boat to yourselves.

We brief your crew on what you like before you arrive — honeymoon, family with small kids, four couples who want to party, eight friends celebrating a birthday. Every charter is shaped around the people on it.

> **Cabins made up, tenders fuelled, ice in the cooler — the week runs without you having to run it.**
